InterContinental Hotel

Silent/Live Auction Donation Form

Blind Service Association (BSA) is dedicated to helping blind and vision impaired residents of the Chicago area live independent lives. Programs at BSA range from a unique live reading service to programs that help older adults and children overcome the many challenges they may face due to their loss of sight. Proceeds from this benefit will help BSA carry on some of its most valuable programs.

Your donation to our silent/live auction will help blind and vision impaired people have access to our services while promoting your company or business. You will also receive recognition in the event program, easel signage at the event and sponsor identification on all pre-event publicity. We will also be happy to distribute material or brochures of your business at the event. Please mail your donation and completed form and materials by October 7th or fax this form to us now to show your commitment.
